Col. Smyth was communicated with Govt Proc: No 3727-8/G.7. 30-96 d 29-1-04 regarding the retention of his services for a further period of ~~Rest~~ 5 years and his emoluments during the said term. Thereupon he seems to have addressed the Comptr in view to ascertain whether he would become entitled to draw Rs 3.00/- thereon as all^ce in the above Proc: during the period of his absence on privilege leave. The Comptr replied to him that he will get his Military pay proper while on priv: leave and also his allowances provided the same is not claimed by his own tenens. As this statement created double-ii the matter of his drawing allowance while on leave, Col Smyth seems to have seen the Deccan ^ represented. The Deccan has sent the ~~paper~~ slip which runs as follows:-

"Col Smyth left these papers with me. They must be retd to him. The all^ce of Rs 300/- was also regarded as Col Smyth's pay as far as his

State was concerned. Is it not so? If so, why should there be any change. If there is any mistake to be corrected please take the necessary action and intimate to me & the Comptr and Col Smyth. The latter is afraid that if this is shown as all he won't get it when absent on privilege leave.

Col Smyth's allce is treated as pay in this State as in the Civil List (Please see List up to 1st July 1903. pp No mistake has been committed in issuing the Precept in question. The sanction of the Govt of India was communicated as it was received from the R. The Comptr's D.O. of 3.3.04 Col Smyth has given rise to this misapprehension.

A doubt having cropped up, the point may be made clear by another order.
